The screenshot displays the Ableton Live software interface. At the top, the transport bar shows the current time (1:38.00) and other settings. The left sidebar contains a 'CATEGORIES' list with options like Sounds, Instruments, Audio Effects, MIDI Effects, Max for Live, Plug-ins, Clips, and Samples. Below this is a 'PLACES' section with options like Pecks, User Library, Current Project, and various Drum loops. The main arrangement view shows a multi-track project with tracks for Drum, Snare, Hat, Clap, Bass, Guitar, Vocal, and more. The tracks are color-coded and contain various audio and MIDI clips. The right sidebar shows a 'Used' list of clips, including items like Comp Kick, 5 PunchMutt, Kick, Hi Hat, Hat 2, Snare, Crash, Clap, Mixer, A-Reverb, Sweeps, Shakers, Bass, Vocal, Guitar, Cgtr, Gated pad, 19 Nexus (A), Pick pick, XP Lead, A Reverb, B Delay, C Ping pong, and Master. The bottom of the screen shows a detailed view of a 'Clap' clip, including its sample data, signature, and envelope settings.
